**GROUND RULES:** Points will be given in each division to horse and rider combo to determine buckle winners for the series. Each evening the producers will announce who will be responsible for setting tipped barrels and moving barrels for the rakes. If your group fails to provide barrel setters, no points will be given to anyone in that group for the evening. No times for tipped barrels, pulling up during a run, or a broken pattern. There will be an open gate for each event unless the producers announce otherwise. If barrels are set prior to the start of exhibitions, do not practice the pattern or points will be lost for the evening and the individual will owe \$5 for an exhibition or that will be there exhibition if they had already paid for an exhibition. No dress code. If an event must be cancelled, there will be no make-up date. Ties will be broken by attendance.
